Shape the Future: Apply for the Reeves County Groundwater Conservation District Scholarship

The Reeves County Groundwater Conservation District (RCGCD) is delighted to invite high school seniors residing in Reeves County, Texas to apply for our annual scholarship program. This initiative underscores our commitment to promoting water conservation awareness and supporting the academic endeavors of young individuals passionate about sustainable groundwater management.

Eligibility

To qualify for this rewarding scholarship opportunity, applicants must:

- Be a resident of Reeves County.
- Be a senior in high school, poised to graduate.

About the Scholarship

The RCGCD Scholarship is designed to empower students with a keen interest in water conservation, preparing them as future leaders capable of navigating the complexities of water resource management. We are dedicated to investing in the education of students who aspire to make significant contributions to water conservation efforts.

Application Details

Applicants are urged to carefully review the application packet, which provides comprehensive details about the scholarship criteria, necessary documentation, and how to submit your application.

Essay Requirement

A pivotal element of your application is a minimum **500-word essay** addressing "The Benefits of Water Conservation and the Consequences of No Water Conservation." This essay should demonstrate your understanding of water conservation's critical role and the potential risks of neglecting our water resources.

Submission Requirements:

- **Completed Application Form and Essay:** Ensure to accurately complete the application form and attach your essay.
- **High School and College Transcripts:** Submit your most current academic transcripts.
- **Acceptance Letters:** Include copies of acceptance letters from colleges, universities, or vocational schools.
- **Extracurricular Activities List:** Provide a comprehensive list of your extracurricular involvements.

Submission Methods

Your complete application packet can be submitted by:

- **Hand Delivery:** To the District Office located at 119 South Cedar Street, Pecos, Texas.
- **Email:** info@reevescountygcd.org
- **Mail:** Addressed to P.O. BOX 809, Pecos, Texas 79772 (postmarked before 4/4/2026).

Important Date

The application deadline is **April 4th, 2026**. It is crucial to submit your application on or before this date to be considered.

Review Process

The RCGCD Board of Directors will thoroughly review all applications during the April RCGCD Monthly Board meeting. Successful candidates will be selected based on their essay quality, academic merits, acceptance letters, and extracurricular participation.

Additional Information

Should you have any questions or require further details about the scholarship or application process, please feel free to contact the District Office directly at **432-445-9961** or via email at info@reevescountygcd.org.

Conclusion

The Reeves County Groundwater Conservation District is excited to support the academic growth of students dedicated to conserving our most precious resource: water. By applying for this scholarship, you're not only seeking to advance your education but also undeniably contributing to the paramount cause of water conservation. We encourage all eligible high school seniors in Reeves County to seize this incredible opportunity to make an impact and pave the way for a sustainable future.
